THE UNIVERSAL INSTRUMENT

Thirty years ago the telephone was a luxury Today. through personal initiative and private enterprise, it has become a necessity within the reach of everybody. Where once a business had but one telephone with a limited talking range, fods; that business has service with a range three-quarters of a continent broad, and every branch of every business is linked to el ery other by an intercommunicating telephone system.

The telephone has carned its responsible place and there are now 5,0 3,000 Bell telephones in this country, over which go 26,600 000 talks daily

Every Bell Telephone is a Long Distance Station.
